15U Males	2–4	6th Place
18U Males	1–5	9th Place
Canada Games Males	5–2	4th Place
Canada Games Females	0–5	10th Place
22U Men	1–5	8th Place

---

## **Volunteer Appreciation**

We want to sincerely thank all the volunteers who made it possible for our Provincial Teams to attend and compete at the national level. There is an enormous amount of time and personal sacrifice involved — time that is often taken from family and social commitments.

**Hats off to all of you. Your dedication is deeply appreciated.**

---

## **Planning for 2026**

- **Head Coaches:** All head coaches for the 2026 Provincial Teams have been selected.
  - **Support Staff:** Will be considered and finalized by the end of 2025.
  - In September, a meeting was held with all head coaches (or their delegates) to gather feedback and recommendations for the upcoming season.
- 

## **Key Recommendations from Coaches**

### **1. Pre-Nationals Prep Tournament**

Work collaboratively with Maritime and Atlantic provinces to schedule one summer weekend for a prep tournament ahead of Nationals.

## 2. **Coach Support & Ethics Mandate**

Baseball PEI should fully support coaches in the delivery and enforcement of the Code of Ethics. This includes:

- Standing behind coaching decisions regarding player roles and playing time.
- Creating a mandate that reinforces this stance.
- Potential BPEI presence at parent meetings to support and communicate this.

## 3. **Chef de Mission Role Development**

Time will be dedicated to:

- Improving communication and expectations for Chefs.
- Establishing formal training sessions.
- Working with the President and Executive Director to define responsibilities and report progress to the Board.

---

## **Closing Remarks**

As always, the off-season will be an important time for preparation and progress. There is much work to do in support of our athletes, coaches, and teams. Thank you for your continued support.

**Janet Cameron**
