

## Baseball PEI Annual General Meeting 2025

### Coaching and NCCP Report

**Submitted by:** *Desi Doyle, NCCP Coordinator*

The 2025 season was another **strong year for coaching certification and development** across Prince Edward Island. With the addition of two new Learning Facilitators — **Connor Myers** and **Logan MacDougall** — joining **Desi Doyle** and **Randy Byrne**, Baseball PEI was able to expand clinic offerings across the province and improve accessibility for coaches in all regions.

### Program Overview

The expanded facilitator team allowed for a greater number of clinics to be hosted throughout the year, including targeted development opportunities. Of particular note, an **October Planning Clinic** was introduced, aimed at supporting **female coaches** and others seeking to strengthen their seasonal planning and program design skills.

In addition, the traditional **February clinic series** continued successfully. These winter sessions typically focus on higher-level content for returning or advanced coaches preparing for the upcoming 2026 season.

### Breakdown of Participants by Module (2025)

Module	# of Clinics Offered	# of Attendees
Initiation	7	69
Teaching & Learning	4	53
Planning	4	22
Absolutes	4	53

### Evaluation and Certification Highlights

Throughout 2025, several coaches successfully **completed their evaluations** to achieve certification at the **13U, 15U, and 16U** levels. This included multiple **provincial team coaches** attaining **Competition Development certification**, ensuring that our provincial programs continue to be led by qualified, experienced leaders.

## Summary

Overall, the year reflected Baseball PEI's ongoing commitment to **coach education, accessibility, and excellence**. With a growing team of facilitators and continued investment in the NCCP pathway, the outlook for 2026 remains strong.

**Yours in Baseball,**

**Desi Doyle**
